General Director Dipl.-Ing.  
**GREGOR**  
**H. ROSINGER**

General Director of **The Rosinger Group**

General Director Dipl.-Ing. Gregor H. Rosinger is General Director and Founder of the Rosinger Group. He comes from an old stockbroker and investor dynasty whose international roots go back to the Middle Ages. He has been a successful investor and industrialist since 1985, when he founded The Rosinger Group and has since taken 68 companies worldwide to the stock exchange. Aside from his position of General Director and majority shareholder of The Rosinger Group, Gregor has been awarded the Knight of the Order of Saint George and is also a Senator in the Austrian Senate of Economy and a member of the Business Advisory Council of the Southeast European Cooperative Initiative (SECI) within the OSCE-Framework (Organization for Security and Co-operation in Europe).

Gregor Rosinger holds board functions in the following group companies:

- PRIVATE EQUITY Rosinger Anlagentechnik GmbH & Co KG as Managing Director (CEO)
- Rosinger Anlagentechnik GmbH & Co KG as Managing Director (CEO)
- Rosinger RMS GmbH as Managing Director (CEO)
- Rosinger Anlagentechnik GmbH as Managing Director (CEO)
- Rosinger Energieanlagen GmbH as Managing Director (CEO)
- Dipl.-Ing. Rosinger Gregor Heinz u. Yvette, VVL, as Managing Director (CEO)
- DI Gregor Rosinger Eigene Investments as Managing Director (CEO)

The Rosinger Group is a leading Investments and Corporate Finance company which operates globally. The firm specialises in small and mid caps in Europe and has been involved in numerous listings and IPOs, an index launch (Rosinger Index ROSIGX) and more than 300 capital market projects worldwide. Their portfolio includes both direct and indirect investments in Company Shares (Equity), Private Equity Investments, Mezzanine Capital, Corporate Bonds/ Venture Loans, Real Estate and Mobile or Transferable Economic Goods. The Rosinger Group is also active on the Vienna Stock Exchange as a professional investor, capital market coach, direct funding partner and index owner of the "Rosinger Index" (ROSIGX). In November 2022, The firm received the European Special Mention Award from the European Commission, the Federation of European Securities Exchanges and European Issuers for its outstanding market position and significant impact on small and mid-cap issuer access to the capital markets.

With their many years of experience in capital markets, The Rosinger Group can structure tailored financing components for their clients and arrange them positive due diligence checks – individually or as an overall concept, structured for the specific company concerned. The experienced team works together with their clients to find innovative and tailored financial solutions in order to safeguard financial independence in the long term and optimise conditions.

The Rosinger Portfolio includes 14 own long-term investments (of which 6 were as majority investors), which focus in the industrial and finance sectors. In addition, the Rosinger Group also holds real estate and investments in financial instruments.
